## **How to Grow Bulbs in Containers Better Homes amp Gardens**

November 11th, 2018 - Growing bulbs in containers is easy You can grow virtually any bulb in containers and you can mix different types of bulbs together too In fact it s a lot like growing bulbs in the ground Start with a container with drainage holes so that excess water can escape and plant your bulbs in the fall

## **Planting Bulbs in Containers Southern Living**

November 5th, 2018 - Place bulbs shoulder to shoulder across the surface of the soil leaving no space between them Then top off with more potting soil so the bulbs are just slightly below the surface Water each container thoroughly and finish with a layer of mulch such as mini pine bark nuggets Leave pots outdoors for winter chilling

## **Planting Bulbs in Containers Garden org**

November 7th, 2018 - Choose a container Anything that has drainage holes and is deep enough to accommodate a few inches of soil and the bulbs works as a container You ll need to allow a 1 inch space between the tip of the bulb and the rim of the pot Examples For a 2 inch tall daffodil bulb use a 6 inch deep pot 3

## **Planting Spring Bulbs in Containers FineGardening**

September 15th, 2017 - Plant bulbs in containers in fall Plan for a succession of color When this container of Tulipa â€˜Spring Greenâ€™™ finishes blooming it will be replaced with another container of tulips just starting to open I plant our bulbs in late October in containers with good drainage

## **Planting Spring Flowering Bulbs in Containers Planet Natural**

September 14th, 2013 - Almost any spring flowering bulb will do for container planting And as you plan your bulb containers consider planting major flowering bulbs like tulips gladiolus and daffodils with smaller flowers like crocus snowdrops windflower or grape hyacinth though the latter tends to spread and take over pots

**Bulbs in Containers LoveToKnow**

November 11th, 2018 - Bulbs in pots are more exposed to the weather than bulbs in the ground so they are more vulnerable to damage from freeze thaw cycles Be sure to plant bulbs early enough to allow good root development before the soil freezes

**Bulbs in Containers Rod Leeds Marie O Hara**

October 26th, 2018 - Even some of the big commercial bulb places come out with an occasional surprise now and then Check Amazon and even local free trade or sale news I found a great source for crinum in this way All in all if you re interested in growing bulbs in containers then a copy of this book is a valuable asset

**Planting Bulbs in Containers HGTV**

November 11th, 2018 - Plant bulbs in layers in deeper containers with large bulbs deeper and small bulbs closer to the surface Space bulbs so they aren t planted on top of one another You can extend the bloom period by planting separate containers with varieties that have various bloom dates early mid and late season
