November 8th, 2018 - well you can t make MY bread at your home but you can make YOUR bread in your home and i want to support you in that because it s really not that hard you just have to put a few pieces in place to make it possible first of all watch this second of all read this nothing will replace the rewards of a regular baking practice both in process and product so if you have any inclination to work this into your life i d like to wholeheartedly encourage you to do so
